

Data Protection Impact Assessment (DPIA) Summary

DPIA010 - Stage 2 Summary

Date Reviewed: 14/12/2020

Service Area/Team:

Health, Safety and Environment

Project name/title for work:

Personal Protective Equipment Replacement

SUMMARY OF PROJECT:

We collect and share the following information about our operational staff.

- Full name
- E-mail address
- Place of work
- Sizing measurements

It is shared with the provider of our personal protective equipment (ppe). This helps manage how and when to deliver the replacements and allow our staff to complete their tasks safely and effectively

Assurances:

- Data is shared securely and safely.
- There is a standard contract clause of a Framework Agreement in place.
